

AFC Canada Announces New Leadership Team for Vancouver (2011/09/15)

Ambassadors For Christ in Canada is pleased to announce the appointment of Pastor Stephen So as our new Director of Ministry (Western Canada). Starting September 2011, Pastor Stephen will replace former Director of Ministry Dr. Alan Yu (who has been called by the Lord into pastorate at his home church) to lead the ministry team at AFC Vancouver in pioneering local evangelical student movement, developing student discipleship ministry and outreaching the community through AFC Student Centre.

Pastor Steven So

Pastor Stephen So was a high school teacher before he immigrated to Canada from Hong Kong. He was an entrepreneur, a marketing executive, and worked in the media industry before answering the call for pastoral ministry. Stephen graduated from Carey Theological Seminary and served as pastor at Peace Mennonite Church, where he now holds the title of Lay Pastor. Pastor Stephen has served on the Board of Directors at AFC for many years and has always been passionate in student ministry.

Ms. Maggie Cheng

AFC Canada has also appointed Ms. Maggie Cheng as Student Ministry Coordinator at AFC Vancouver to assist Pastor Stephen in leading the student ministries. Maggie has been an Associate Staff at AFC Vancouver for many years, involving in the ministries of The Jubilant worship team, PP959 radio and web broadcast, Restoration Worship, and the annual Teleios student revival camp. Maggie was a behavioral therapist by training, and is currently at the final stage of finishing her Master degree in Worship Theology at the Robert E. Webber Institute for Worship Studies in Florida. Maggie is a member of Vancouver Chinese Alliance Church.

The Board of Directors at AFC Canada is confident that, under the leadership of Pastor Stephen and Maggie, AFC Vancouver will continue in its vision and mission of building up the next generation of lifelong Christ-followers, particularly at this critical stage of the emerging student movement in Vancouver. We will continue to seek cooperation with the local churches in developing a stronger witness for the Kingdom of God among the young generation.
